non-transferable. Daily fees for selling at the market will be determined at the annual fall meeting. Daily fees are to be paid to the collecting agent prior to the Market opening time on each sale date (these fees can also be paid in advance). Failure to do so will result in a doubling of fees for that day.

22. Vendors arriving after market opening time will be fined an additional ten dollars to occupy a space.

Space Allocation

23. There is a limit of two spaces per farm.
24. Adjacent spaces occupied by representatives from the same farm shall be considered one farm. No individual may represent two farms simultaneously on a daily basis.
25. Market space priority will be given to returning applicants.
26. One space is defined as the area under a market approved 10' x 10' canopy. A market approved canopy consists of either a green/white canopy or a white EZ=Up tent. Any other canopies are subject to approval by the market manager. Each member/vendor is responsible for their own canopy
27. Members have priority to spaces they occupied fourteen days prior to the present sale day. Members lose this priority if they are absent from the market two consecutive weeks.
28. Vacant spaces at the Market shall be filled on a first come – first served basis per market selling day.

Other Market Rules and Times

34. Vendors must abide by all CDFMA rules to remain Members.
35. The Market will begin operating the first Saturday in April and operate through the Saturday before Thanksgiving in November.
36. The annual spring meeting will normally be held the first Saturday in March and the annual fall meeting on the second Saturday in November.

CSA Operators

The CDFMA is primarily a “tailgate” type market open to any and all customers. The CDFMA is not designed, planned or set up to be solely a drop off location for CSA farms, but the CDFMA recognizes the value of having CSA operators participate as CDFMA Members.

37. If a CSA operator wishes to be a Member of the CDFMA they must abide by all rules of the association.
38. CSA operators must sell their own produce. **Resellers are prohibited.**
39. CSA operators cannot solicit CSA business via signage at the CDFMA. For the avoidance of doubt, CSA operators must not convey the impression that customers are required to join a CSA in order to shop at the Market. Oral solicitations, i.e., verbal conversations with potential customers, are acceptable, as is distribution of standard printer paper or pamphlet-style CSA literature.
40. All products that CSA subscribers are to pick up from the CSA operator at CDFM must be pre-packaged in a closed container, ready for transportation, such that they are not visible to non-CSA market customers.
41. CSA farmers must have additional product to set up a display of products that are for sale to any customer of the market.
